Vorwort.

Schon seit mehr denn zweihundert Jahren bestehen mennonitische Gemeinden in Amerika. Daß heute eine große Zahl Gemeinden ist, die über viele Staaten zerstreut sind, ist allgemein bekannt. Aber genau wo dieselben sich befinden, wer die Prediger sind und anderes Wissenswerte war nicht verzeichnet, ja die Gemeinden waren und sind zum großen Teil gänzlich miteinander unbekannt. Es fehlte ein alle Gemeinden umfassendes Verzeichnis.

Um diesem Mangel abzuhelfen wurde im Auftrage der Allgemeinen Konferenz der Mennoniten von Nord Amerika die Herstellung einer Statistik unternommen. Angestrebt wurde in derselben alle Mennonitengemeinden jeder Schattierung der Gemeinschaft zu verzeichnen, mit Angabe der genauen Lage der Kirche, Namen und Adressen der Prediger, und der Gliederzahl. Daß dieses ein schwieriges Unternehmen war, liegt auf der Hand. Dadurch aber, daß in den verschiedenen Staaten und Kreisen sich Brüder fanden, die bereitwilligst mithalfen, konnte die Statistik wie sie vorliegt, hergestellt werden. Dieser Mithilfe der an anderer Stelle genannten Mithelfer sei hier dankbar gedacht.

Um die Statistik möglichst vollständig und richtig zu machen, wurde die zusammengestellte Statistik, ehe sie in den Druck ging nochmals den Mitarbeitern zur Berichtigung vorgelegt. Es werden nur sehr wenige Gemeinden sein die nicht aufgezeichnet sind; leider aber war Gewissens halber, nicht überall die Gliederzahl zu erfahren. Auch wäre es zu viel erwartet, daß schon dieser erste Versuch, eine vollständige Statistik aller Mennoniten Gemeinden in Nord Amerika herzustellen, vollkommen gelungen sein sollte. Mit dieser Statistik, — vervielfacht — in der Hand wird es später leicht sein ein vollständiges Werk herzustellen.

Möge auch dieses statistische Werk dazu beitragen die Brüderlichkeit und den Gemeinschaftssinn zu fördern, zur Ehre unsers großen Meisters, Jesu Christi, hochgelobt in Ewigkeit.

FOREWORD.

More than two hundred years have passed since the first Mennonite Church was established in America. That there are now a large number of churches scattered through many states is generally known But their exact location, who the ministers are, and other valuable information was never accessible. Many churches even were mutually ignorant of the existence each of the other.

To supply this needed information the preparation of all-inclusive statistics was undertaken under the auspices of the Mennonite General Conference of North America. The aim was to include every Mennonite Church of every shade, record the exact location of each church, give the name and address of their ministers, and record the church and Sunday School membership.

The task was not an easy one. However, by enlisting co-workers in the several states it was possible to compile the statistics as here presented. The very valuable assistance of these co-workers, whose names are recorded elsewhere is herewith gratefully acknowledged

In order that these statistics might be as complete and perfect as possible, at this time, the copy, before it was put in

241

type, was again submitted to the respective co-workers for additions and corrections Very few churches, in existence when reports were made, will have been omitted, although unfortunately, of some churches information as to membership could not be obtained because of certain scruples. However it would be more than should be expected that this first attempt should result in an absolutely complete statistical report. So, notwithstanding the painstaking and prolonged effort made, this work is not free from omissions and errors But, when once these stastistics are in print, it will later be a comparatively easy task to complete and perfect this work.

This work was done with the earnest desire that it might be a farther means of fostering and strengthening fraternal relations among all Mennonites, to the glory of our Lord and Master, Jesus Christ, blessed in eternity.
